Newton International Fellowships aim to attract the world's best post-doctoral researchers to Britain for up to two years.

The Fellowships cover the broad range of natural and social sciences, engineering and the humanities.

The Newton International Fellowships:

- Are run by The British Academy, The Royal Academy of Engineering and The Royal Society.
- Include £24,000 per annum to cover subsistence, £8,000 to cover research expenses, plus a relocation allowance of £2,000.
- Offer funding of £6,000 per year for ten years after the Fellowship ends to enable Newton Fellows to build long-term links with the UK.

Newton Fellows will also become members of the international alumni association run by Research Councils UK.
