Pogoji za vključitev v delo oz. za opravljanje študijskih obveznosti:

Splošni pogoji za vpis v letnik, v katerem se predmet nahaja.

Prerequisites:

General conditions for the enrollment in the year in which the course is taken apply here as well.

Vsebina:

Govorno sporazumevanje v tujem jeziku je eden izmed glavnih ciljev učenja tujega jezika.

Študenti bodo v okviru predmeta spoznali glavne razlike med pisno in govorno angleščino ter značilnosti različnih govornih dejaj (monolog, pogovor) kot tudi vrste govornih dejaj

Content (Syllabus outline):

Oral communication in a foreign language is one of the main goals of learning a foreign language.

In this course the students will learn about the main differences between written and spoken English, and about the characteristics of a variety of speech acts (monologue, interview), as well as about the

(spraševanje, zahvaljevanje, opravičevanje, predlaganje ipd.). Z analiziranjem video posnetkov rojenih govorcev se bodo seznanili s pomenom govorce telesa ter uporabe komunikacijskih strategij, npr. kako se vključiti v pogovor, kako spremeniti temo pogovora, kako uporabljati mašila v jeziku, kako se sporazumevati ob nezadostnem poznavanju jezika in podobno.

Prek različnih dejavnosti kot so dejavnosti sporočilne vrzeli, komunikacijske igre, igre vlog in simulacije ter diskusije bodo razvijali omenjene komunikacijske strategije in hkrati urili svoje govorne zmožnosti v angleškem jeziku.

Študenti bodo spoznali tudi značilnosti uspešnih predstavitev, npr. načrtovanje glede na ciljno občinstvo, temo in čas predstavitve, uporaba vizualnih pripomočkov in multimedije ter podobno.

Nekatera izmed govornih dejanj študentov bodo posneti na videokaseto za boljšo samorefleksijo in skupinsko analizo.

types of speech acts (questioning, thanking, making excuses, proposing, etc.). By analysing video recordings of native speakers they will get acquainted with the importance of body language and the use of communication strategies, e.g. how to get involved in a conversation, how to change the topic of conversation, how to use fillers in a language, how to communicate with insufficient knowledge of the language, and the like.

Through various activities such as information gaps, communication games, role-plays, simulations, and discussions they will develop the above mentioned communication strategies and at the same time practise their speaking skills in English.

Students will learn about the characteristics of successful presentations, e.g. planning with regard to the target audience, topics and the time of presentation, use of visual aids and multimedia, and the like.

Some of the students' speech acts will be videotaped for better self-reflection and group analysis.
