

# INVITE

SUMMER SCHOOL '23

## Being a teacher in the digital age

HOW TO INTEGRATE DIGITAL TOOLS MEANINGFULLY IN YOUR LESSONS?

31<sup>ST</sup> JULY - 4<sup>TH</sup> AUGUST

### JOIN US

for an enriching summer school where teaching staff and students gather to explore the following topics:

- The impact of digitalization on education
  - Ethical questions and considerations
  - Coping with and utilizing AI solutions like ChatGPT and DeepL
- The use of digitalization in the classroom
  - Successful integration of digital media in the curriculum/lessons
- Virtual mobility
  - Optimal formats for online learning
- **AND MORE**
