PROGRAM

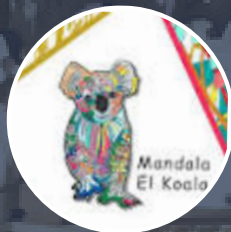

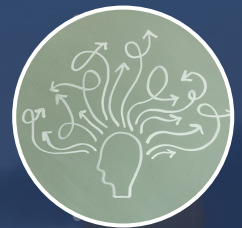

During the International week at Escuni you will...

...embark on a literary adventure with our Golden Age gymkhana through Madrid historic streets

...discover the impact of Sustainable Development through a Water Exhibition and hands-on experiments.

...engage in language, culture and self-awareness activities.

...participate in a dynamic social inclusion activity followed by a storytelling session on empathy and inclusion.

...meet the real Spanish elementary and preschool settings with our two school visits.

...interact with Spanish undergrads and see their innovative education projects.
