

Geološki zavod Slovenije vas vabi na usposabljanje:

Finančno vodenje in revizija projektov Obzorje Evropa

Geološki zavod Slovenije (Dvorana, 6. nadstropje),
Dimičeva ulica 14, 1000 Ljubljana
21. december 2023

VSEBINA:

Namen usposabljanja je omogočiti udeležencem celovit vpogled v ključne vidike finančnega upravljanja projektov znotraj programa Obzorje Evropa, s poudarkom na centraliziranih programih.

Udeleženci bodo sodelovali v razpravi o osnovah finančnega projektnega upravljanja, izvajanju EU projektov skladno s finančnim planom in podlagah za priznanje stroškov (upravičeni stroški). Izpostavljena bo primerjava finančnih pravil na ravni EU programa z nacionalno zakonodajo, podane bodo zahteve vezane na finančno poročanje projektov Obzorje Evropa. V drugem delu usposabljanja se bodo udeleženci podrobneje seznanili z načeli finančnih kontrol in revidiranja projektov Obzorje Evropa, del usposabljanja pa bo tudi delavnica namenjena praktičnim vidikom revidiranja stroškov projekta.

IZVAJALEC:

Usposabljanje bo izvedeno s strani podjetja EUTA (European Training Academy), ki se lahko pohvali z dolgoletnimi izkušnjami tako pri pripravi projektnih predlogov kot tudi z njihovo uspešno izvedbo.

Usposabljanje bo izvedla Marija Šola Spasić, ki je živel in delala v Sloveniji, in sicer na projektih, financiranih s strani EU. Slednje je ključno, saj nam bo lahko podala natančen vpogled v zahteve finančnega poročanja programov Obzorje Evropa, upoštevajoč specifične nacionalne zakonodaje in skladnost s pravili programa Obzorje Evropa. Ima številne izkušnje s projektom in finančnim vodenjem EU projektov ter spremljanjem mednarodnih projektov programov H2020, FP7, Erasmus+, Eureka. Kot članica ekipe EUTA vodi usposabljanja za pripravo projektnih proračunov in finančno izvedbo projektov programa Obzorje 2020 in Obzorje Evropa.

Jezik usposabljanja: Angleščina

PRIJAVA:

Delavnica bo potekala hibridno, na lokaciji in preko spleta. Na delavnico se lahko prijavite na naslednji povezavi: <https://rb.gy/4pnu2f>

Geological survey of Slovenia inviting you to training:

Financial management and Audit of Horizon Europe projects

Geological survey of Slovenia (Hall),
Dimičeva ulica 14, 1000 Ljubljana
December 21, 2023

CONTENT:

The purpose of the training is to provide participants with a comprehensive insight into the key aspects of financial management of projects within the Horizon Europe program, with an emphasis on centralized programs.

Participants will engage in a discussion on the basics of financial project management, the implementation of EU projects in accordance with the financial plan, and the basis for cost recognition (eligible costs). A comparison of financial rules at the EU program level with national legislation will be highlighted, and requirements related to the financial reporting of Horizon Europe projects will be provided. In the second part of the training, participants will become more familiar with the principles of financial controls and auditing of Horizon Europe projects, and part of the training will also be a workshop aimed at the practical aspects of auditing project costs.

TRAINER:

The training will be conducted by the company EUTA (European Training Academy), which boasts many years of experience both in preparing project proposals and in their successful implementation. The training will be conducted by Marija Šola Spasić, who has lived and worked in Slovenia, specifically on projects funded by the EU. This is crucial, as she will be able to provide a precise insight into the requirements of financial reporting for Horizon Europe programs, taking into account the specifics of national legislation and compliance with the rules of the Horizon Europe program. She has extensive experience in project and financial management of EU projects and monitoring of international projects funded by EU programs H2020, FP7, Erasmus+, Eureka. As a member of the EUTA team, she leads trainings for preparing project budgets and the financial implementation of Horizon 2020 and Horizon Europe projects.

Language of the training: English

REGISTRATION:

The workshop will be held in a hybrid format, on location and online. You can register for the workshop at the following link: <https://rb.gy/4pnu2f>
