#### Metode poučevanja in učenja:

1. Vaje in predavanja: delo v obliki delavnic, igre vlog, sodelovalno učenje/ poučevanje, aktivno ustvarjanje, improvizacije, projektno učenje.
2. Predavanja in vaje potekajo z aktivno udeležbo študentov ob podpori slikovnega in video gradiva ter praktičnih materialov.
3. Poudarek je na izkustvenih oblikah učenja, zato je prisotnost na predavanjih in vajah obvezna.
4. Terensko delo – opazovanje/sodelovanje v dejanskih načrtovanih izobraževalnih dejavnostih in ogled lutkovnih predstav.
5. Zaradi interaktivnega gledališko-lutkovnega dela, se delavnice izvajajo v za to primernem prostoru (dvorana), v skupini do največ 15 študentov.

#### Learning and teaching methods:

1. Practical classes and lectures: workshops, role playing, co-operative learning/teaching, active creativity, improvisation, project learning.
2. Lectures and practical classes are carried out with the active participation of students.
3. The emphasis is on experiential forms of learning, therefore the presence at lectures and practical classes is compulsory.
4. Work field- observe/cooperate in planned activities in educational realities and observation of puppets performances in puppet theater.
5. Due to the interactive theatrical-puppet work, the workshops are carried out in a suitable space (hall), in a group of up to 15 students.
