Sustainable Development

Student Ambassador of the UNESCO Chair on Teacher Education for Sustainable Development

2026/27

Students attending the Erasmus+ Blended Intensive Programme “Environment and Sustainable Development,” held in Ljubljana, Slovenia, from 20 to 24 April 2026, have been appointed **Student Ambassador of the UNESCO Chair on Teacher Education for Sustainable Development for the 2026–27 academic year**. As a Student Ambassador, they are part of a community of students supporting the values and activities of the UNESCO Chair and contributing to the promotion of teacher education, sustainability and sustainable development.
